Revolutionists Are Occupying Mexican Port, Say Unofficial Reports.

ENTER AFTER RETREAT

Presence of Gunboats in Harbor Causes Temporary Retirement.

NUEVO LAREDO FALLS

Fifteen Generals Said to Have Been Slain at Santiago, Military Prison.

EL PASO, Tex., May 9 .- Gen. Franrisco Murgula, Carranza military commander at Mexico city, before leaving the capital, which now is in complete possession of revolutionary forces, carried out a wholesale slaughter of political prisoners at Santiago, the milltary prison, according to a bulletin isned at revolutionary headquarters here 40-night.

Fifteen Mexican generals were mong those reported slaughtered. "The city was shocked over this bloody epilogue for the Carranza re cime." the bulletin said.

GALVESTON, Tex., May 9 .- The Fed-"al garrison at Vera Cruz, consisting approximately 500 well armed and quipped soldiers, went over to the evolutionists early to-day, according apparently reliable but unofficial dvices received here to-night.

hiding in Vera Cruz and a dragnet was reported to have been thrown out by the revolutionists to prevent his escape

It is trying complish social, political and international reforms and is not daunted

contend with. Let us prove to our late associates in the war that at any rate the great majority party of the nation, the party which expresses the true hopes and purposes of the people of the country, intends to keep faith with then; in peace as well as in war, They gave their treasure, their best blood and everything that they valued in order not mergly to beat Ger-many, but to effect a settlement and bring about arrangements of peace which they have now tried to formu-

are entitled to our support in this settlement and in the arrangements for which they have striven. The League of Nations is the hope of the world. As a basis for the armistice I was authorized by all the great fighting nations to say to the enemy that it was our object in proposing peace to establish a geaeral association of nations under
